*A Message  
From  
The Pastor*

**ROGER H. GRUMMER, Pastor**

Dear Friends in Christ,

We are God's people in mission. In our love for Christ we not only reach out to others who need the Savior, but we also build up one another in the faith who have already committed themselves to Jesus. God is giving us His Holy Spirit to accomplish this beautiful and important work.

This church directory will enable us to more efficiently be at work for Christ. Just as Jesus said, "My sheep hear my voice and I know them" (John 10:27) so also we who hear Him can get to know one another better through this directory as we work together for the Lord.

Whether you are attending our Sunday School at 9:00 A.M., or our worship service at 10:30 A.M.; or whether you are involved with a church committee, Bible study group, or service organization, we feel confident that the material contained in this directory will provide you with much assistance as you pray for each other and serve the Lord together.

In His service,

**CHURCH INTERIOR**

During October of 1956, twenty-six people gathered for the first Lutheran worship service in Houma, Louisiana. It was not until March 11, 1957, however, that the group of Lutherans officially chose the name GRACE LUTHERAN CHURCH for this small congregation. On October 29 of that same year, Grace congregation was received into the membership of The Southern District of the Lutheran Church – Mo. Synod.

Grace congregation met weekly for worship and Sunday School in the music room of Terrebonne High School until the present worship and educational structure was dedicated on August 14, 1960.

Resident pastors serving Grace congregation since its beginning include: Rev. Richard E. Kuehnert, who served from 1957 to 1962; Rev. J. C. Henning, who served from 1963 to 1965; and Rev. Roger Grummer, our present pastor, who began his pastorate at Grace on December 12, 1965.

Communicant members of Grace has increased from 15 founding communicants in 1956 to the present communicant membership of 183.

God in His grace has been exceedingly good to Grace congregation here in Houma. His word and sacraments have nourished hundreds of His people, children and adults, over the years. People have received His blessings of the abundant life now, and some have entered into the promise of life everlasting.

May He continue to bless His church in our midst, and may we all be blessed by Him through it.
